فصولا

In the picturesque municipality of San Fulgencio, an exclusive collection of 12 bungalows is presented, offered by Alicante Spain Properties. This residential enclave offers two distinct types: bungalows with solarium and those with garden. Just 34 km from the airport, this strategic location combines tranquility and excellent connectivity, ideal for those looking to buy a new home in a serene environment. The exterior design of these homes is intended to make the most of the Mediterranean climate. Each bungalow has a private garden, perfect for creating your personal oasis or enjoying outdoor activities. The terraces are ideal for al fresco dining or simply relaxing while taking in the views. With a solarium in each property, residents can take advantage of the sun all year round. Additionally, integrated pergolas add style and shade to these cozy outdoor spaces. The interiors have been meticulously designed to offer comfort and functionality. With options that include two or three bedrooms, each home adapts to various family needs. Two bathrooms ensure the daily comfort of residents. The porcelain stoneware floors not only provide a modern touch but are also easy to maintain. Electric blinds and built-in wardrobes come as standard, enhancing the functionality of the living space. The pre-installation of air conditioning allows for easy customization of the indoor environment. The common areas are designed to foster community and provide pleasant recreational spaces. The community gardens offer a green environment where walking or resting peacefully is a daily pleasure. The community pool is perfect for cooling off on hot summer days and socializing with neighbors.
