Alicante Spain Properties presents an exclusive set of 20 homes in the picturesque Pinar de Campoverde. This strategic location, just 46 km from the airport, combines tranquility and accessibility. The properties are offered in formats of apartments, ground floors, and penthouses, with options of 2 or 3 bedrooms and 2 bathrooms, catering to different lifestyles. The design includes pre-installation of air conditioning to ensure comfort throughout the year, while the elegant porcelain stoneware floors provide durability and style. In Pinar de Campoverde, each home is designed to enjoy the Mediterranean climate to the fullest. The terraces invite you to relax outdoors, and the types with solarium add extra space to customize as a recreational area or sunbathing spot. The private gardens in the ground floors are ideal for those who appreciate nature or seek a safe environment where children can play. The interiors are designed to offer a comfortable and modern residential experience. With an optimized layout in apartments and penthouses, these spaces ensure harmonious living. The pre-installation of air conditioning guarantees thermal comfort during all seasons. Additionally, the porcelain stoneware floor is not only visually appealing but also practical due to its easy maintenance. Choose between configurations with 2 or 3 bedrooms according to your needs. The common areas of the complex stand out for their landscaped zones that invite you to stroll peacefully without leaving the premises. The community pool is perfect for cooling off in the summer, offering an ideal place to socialize and enjoy the good weather. The community garage provides security and convenience when parking.
