Detached Homes in Torrevieja with Sea Views

Torrevieja, Alicante

Ab 1.200.000 €

Beschreibung

In the picturesque Torrevieja, Alicante Spain Properties presents a unique real estate opportunity: two modern independent homes with a functional design. Just 2 km from the coast and with sea views, these properties not only offer comfortable living but also a quick connection to the world, thanks to their proximity to the airport 40 km away. Ideal for both year-round living and unforgettable vacation experiences, these houses incorporate high-quality features that ensure unparalleled comfort. Enjoy the Mediterranean climate in the outdoor spaces designed for maximum enjoyment. Each house has its own private garden, a perfect place to create your personal retreat. A spacious and well-oriented terrace becomes the ideal setting for outdoor dinners with spectacular sea views. Additionally, each home includes a solarium where you can relax under the sun or gaze at the stars at night. The private pool adds that exclusive touch that makes these homes a true luxury. Inside these homes in Torrevieja, you will find spaces designed for comfort and practicality. With five bedrooms available, they are perfect for large families or those needing extra space for guests. The bathrooms equipped with underfloor heating ensure warmth throughout the year, you can choose between three or four depending on the type of each house. The kitchens and common areas feature porcelain stoneware floors that combine modern aesthetics and durability. The integrated air conditioning system maintains a perfect temperature in any season, while the built-in wardrobes offer elegant and efficient storage solutions. A private garage adds additional security to parking.
