Beschreibung

Alicante Spain Properties presents two exclusive villas in the coveted area of La Cala de Mijas. Designed for maximum comfort and style, these properties are located just one kilometer from the sea, offering stunning ocean views. With the airport conveniently located 30 kilometers away, these villas are perfect for those who value both privacy and access to essential services. An environment that combines luxury and proximity to the sea makes these homes a unique opportunity for those looking to buy new housing in a privileged location. The exterior design of these villas reflects a perfect balance with the surrounding nature. Each property offers a private garden where enjoying the Mediterranean climate is a daily pleasure. The spacious terraces allow for relaxation or entertaining guests while taking in the sea views. Additionally, each villa includes its own private pool, creating a personal oasis ideal for sunny summer days. The architecture is oriented to maximize the views, providing a continuous sense of tranquility and luxury. The interior stands out for its meticulous attention to detail and the use of premium materials. The porcelain stoneware floors add elegance and durability to each space. With four bedrooms and three bathrooms, the villas offer ample comfortable family space. The modern kitchens are fully equipped with current appliances, while the home automation system facilitates efficient home management. Built-in wardrobes optimize available storage and the video intercom adds additional security to the home. A perfect combination of streamlined functionality creates cozy and sophisticated environments.
