

PROJECT

Bungalows at La Finca Golf

La Finca Golf, Alicante

From 318.000 €

Description

In Algorfa, this attractive residential complex is proudly presented by Alicante Spain Properties. Offering a total of 34 bungalow-type homes, interested parties can choose between options with a solarium or garden. The properties, designed for comfort and modernity, feature alternatives of 2 to 3 bedrooms and are equipped with electric blinds and air conditioning. Additionally, each home includes quality appliances. The possibility of acquiring a parking space is available for those who need it, thus complementing practical solutions such as built-in wardrobes that maximize space. The exteriors of these homes are ideal for enjoying the Mediterranean climate to the fullest. Each bungalow has its own private garden and terrace, perfect for outdoor moments in a serene environment. Some units offer an additional solarium that adds value to the residential experience, providing extra spaces to relax and enjoy the surrounding natural environment. The interior is meticulously designed with contemporary families in mind. With flexible options between 2 to 3 bedrooms, each home offers well-finished bathrooms that combine style and functionality. The inclusion of modern appliances alongside the air conditioning system ensures comfort throughout the year. Built-in wardrobes are an efficient solution for keeping order at home without sacrificing usable space. This development features impressive common areas designed to enrich the daily lives of its residents. The landscaped areas invite leisurely strolls or simply resting surrounded by nature. The community pool becomes the perfect place to cool off during hot summer days while socializing with neighbors in a relaxed atmosphere.
