Exclusive Residential in Malaga with Sea Views

Málaga, Málaga

Description

In the city of Málaga, a select residential complex consisting of 17 homes is presented, ideal for those who wish to enjoy the Mediterranean lifestyle. This development offers both apartments and ground floor units, each designed to optimize comfort and practicality. Just 1 km from the sea, many properties enjoy sea views that invite relaxation. The strategic location, only 10 km from the airport, facilitates mobility and makes this place a perfect choice for both permanent residence and vacation home on the coast. The homes are equipped with air conditioning, built-in wardrobes, and modern appliances that ensure comfort. The layout offers between one and two bedrooms and up to two bathrooms, adapting to different preferences.The outdoor spaces have been meticulously designed to integrate with the natural surroundings of Málaga. With private terraces that are ideal for taking advantage of the sunny climate and enjoying sea views, residents can relax or entertain guests in a tranquil environment. Located just 1 km from the coastline, it is easy to access coastal walks or feel the sea breeze. Additionally, its proximity to the airport just 10 km away ensures optimal connectivity for those who travel frequently. The ground floor units offer direct access to private gardens that enrich daily life with nature.The interior design of these Málaga homes prioritizes comfort and functionality. Equipped with air conditioning to maintain an ideal temperature year-round, the properties also feature built-in wardrobes that optimize storage. The included appliances facilitate daily tasks. One or two bedroom configurations and up to two bathrooms can be chosen according to personal needs. Private terraces extend the indoor spaces to spectacular views of the Mediterranean Sea.The common...
