

PROJECT

Exclusive Townhouses in El Verger

El Verger, Alicante

From 493.000 €

Description

Discover the exclusive opportunity that Alicante Spain Properties presents in El Verger: a limited series of townhouses designed for those who value serenity and comfort just one kilometer from the sea. With only five units available, these homes offer configurations of two or three bedrooms and bathrooms, adapting to your needs. The proximity to the coast guarantees not only sea views but also a relaxed lifestyle with all modern amenities. The outdoor spaces of these townhouses have been designed to be a private and cozy retreat. Each property features a private garden where you can enjoy the outdoors and terraces ideal for moments of relaxation or social gatherings. For those looking to add luxury to their home, there is the option to incorporate a private pool, perfect for hot summer days. Additionally, each home includes a private garage that ensures comfort and protection for your vehicles. The interior design of these townhouses in El Verger focuses on maximizing comfort and practicality. The porcelain stoneware floors not only add sophistication but are also easy to clean. The properties are air-conditioned to maintain an optimal temperature year-round. Electric blinds and integrated appliances facilitate daily tasks, while built-in wardrobes provide ample storage. Each house is ready to install electric charging points, highlighting our commitment to sustainability. In this residential development, common areas have been created with the aim of promoting an active and socially integrated life. Residents enjoy extensive green areas perfect for walking or relaxing outdoors. A well-equipped community gym offers the possibility to exercise without leaving the complex. The community pool is ideal for both swimming and socializing, while the playground ensures safe fun f...
