

PROJECT

Exclusive Villas in Algorfa

Algorfa, Alicante

From 670.000 €

Description

Alicante Spain Properties presents an exclusive collection of three villas located in the tranquil and picturesque Algorfa. These properties are designed to offer maximum comfort and functionality, with generous spaces that perfectly adapt to modern family living. With three bedrooms and three bathrooms, these homes are ideal for both families and those needing extra space for guests or a home office. The strategic location in Algorfa provides convenient access to local amenities while enjoying a peaceful residential environment. The villas stand out for their exterior design that invites enjoyment of the Mediterranean climate. Each property features a private garden, perfect for creating a personal retreat or enjoying outdoor activities. The spacious terraces are ideal for relaxing outdoors or hosting social gatherings. Additionally, each villa has a private pool that offers an exclusive place to cool off under the sun with complete privacy. The private garage ensures added comfort and security for vehicles. The interior of these villas has been carefully designed with comfort and superior quality in mind. The porcelain tile floors not only add elegance but also ease of maintenance. Equipped with modern appliances, the villas simplify daily tasks, while electric blinds and the video intercom enhance the security and comfort of the home. The built-in wardrobes provide ample storage space, promoting organization of the interior space. Furthermore, they come with pre-installation for air conditioning, allowing adjustment of the environment according to personal preferences.
