

PROJECT

Homes in Mijas with Sea Views

Mijas, Málaga

From 320.000 €

Description

In picturesque Mijas, Alicante Spain Properties presents an exclusive complex of 14 homes that includes both apartments and ground floors. Designed for those who value comfort and style, these properties offer sea views and are strategically located just 3 km from the coast and 30 km from the airport. Equipped with modern technology, such as video intercom and charging points for electric cars, these homes ensure a sustainable and comfortable lifestyle. This development in Mijas stands out for its outdoor spaces designed to enjoy the natural surroundings. With private gardens in each property, residents can relax outdoors under the Mediterranean sun. The spacious terraces are perfect for entertaining or admiring the coastal views, while the proximity to the sea, just 3 km away, allows for easy beachside strolls. With an interior layout designed to maximize functionality and warmth, these homes offer configurations of 2 or 3 bedrooms with 2 bathrooms included. The interiors are equipped with modern appliances and built-in wardrobes that optimize the available space. Security is ensured through an integrated video intercom, while the option to charge electric vehicles at home underscores the innovative approach to sustainability. The common areas of the residential promote an active and social environment with well-maintained community gardens ideal for walking or engaging in outdoor activities. The community pool is perfect for cooling off during warm days, complemented by a well-equipped gym that allows for maintaining a fitness routine without leaving home.
