

PROJECT

Homes in Santa Rosalía: Comfort and Modernity

Santa Rosalía, Murcia

From 499.900 €

Description

Discover in Torre-Pacheco an exclusive residential complex composed of 64 homes, including apartments, ground floors, and penthouses. This strategic location is ideal for those who seek tranquility without giving up proximity to the sea, located just 4 km away, and with the airport a convenient 45 km away. Alicante Spain Properties offers these properties designed to provide comfort and functionality to families of various lifestyles. Enjoy the Mediterranean climate in this residential complex where each property offers access to a private garden, perfect for relaxing outdoors. The spacious terraces are ideal for enjoying clear views and sharing special moments with family or friends. Additionally, the communal garage not only facilitates parking but also includes a charging point for electric cars, providing added convenience. These homes are designed with your comfort in mind, offering modern interiors with ceramic floors that ensure easy maintenance. Fully furnished, they come with air conditioning and additional pre-installation for optimal climate control. Electric blinds alongside the intercom enhance daily security and comfort. Built-in wardrobes maximize available space while the included appliances make daily routines easier. The common areas promote an active and social life within the residential complex. Extensive landscaped areas invite walks or outdoor activities while the communal pool becomes the perfect place to cool off during the hot summer months and interact with neighbors. The communal garage ensures comfortable and secure parking for all residents.
