

PROJECT

Independent Homes in Cuevas del Almanzora

Cuevas del Almanzora, Almería

Description

In the peaceful town of Cuevas del Almanzora, Alicante Spain Properties presents an exclusive residential complex consisting of 13 independent homes. This development is designed for those seeking a tranquil life without straying far from modernity. The properties, which offer options of 3 or 4 bedrooms and up to 3 bathrooms, are equipped with contemporary features that ensure optimal comfort for the whole family. The privileged location in Cuevas del Almanzora guarantees a serene natural environment that is well-connected. The homes in Cuevas del Almanzora stand out for their modern and functional exterior design. Each house features a private garden, ideal for outdoor enjoyment, as well as spacious terraces perfect for relaxing under the Mediterranean sun. The installed pergolas not only provide shade but also add a sophisticated aesthetic touch, creating a cozy atmosphere where style meets comfort. The interior of these homes offers a perfect combination of elegance and practicality. The porcelain stoneware floors add distinction and are easy to maintain, while the built-in wardrobes optimize space in the bedrooms. Equipped with air conditioning and additional pre-installation, these houses ensure a pleasant temperature throughout the year. Modern appliances and a video intercom complete the amenities designed to facilitate daily life. This residential complex in Cuevas del Almanzora features common areas designed to enhance quality of life. Spacious gardens invite you to stroll or relax outdoors, while the communal pool is ideal for cooling off in the summer and socializing with neighbors. These areas promote an active and healthy lifestyle within a safe environment.
