New build development for sale in Canyamel, Mallorca

Canyamel, Mallorca

From 436.000 €

Description

New development for sale just a few meters from Canyamel beach in Capdepera, combining Mediterranean architecture with a privileged natural setting. With only 14 homes, it offers privacy and a unique lifestyle by the sea. It includes 2-bedroom apartments; 3-bedroom penthouses with terraces and solariums; and 3-bedroom duplexes with large outdoor spaces. All properties boast large windows and seamless indoor-outdoor integration to ensure an abundance of natural light. High-end finishes: porcelain flooring, double-glazed windows, motorised blinds, kitchens with quartz countertops, and bathrooms with electric underfloor heating. The 3-bedroom units include aerothermal heating; in the 2-bedroom apartments, it is optional. The complex has a swimming pool, landscaped solarium, and parking spaces with pre-installation for electric vehicles. The private gardens have automatic irrigation, and some types include the option of a private pool. Penthouses feature a private solarium, pre-installation for a jacuzzi and stunning views of the surrounding nature. This is an exclusive proposal for those seeking tranquillity, nature and the sea in one of Mallorca's most authentic areas.
