New development for sale in Cala d'Or, Mallorca

Cala d'Or, Mallorca

Description

New development of a residential complex for sale in Cala d'Or, Mallorca. This project of flats with 2 bedrooms and 2 bathrooms (one en suite) stands out for its modern architecture, in which the colour white predominates. All the flats have a spacious living room, which opens onto the terrace, and a kitchen concept integrated with the dining room, optimising natural light and creating a feeling of spaciousness. The kitchen comes fully furnished with top of the range appliances. The flats have large terraces with beautiful views of the Cala d'Or marina and the communal areas. In addition, the penthouses have access to their own terrace-solarium, which includes pre-installation for a swimming pool. The properties are surrounded by extensive gardens and a communal swimming pool, inviting you to enjoy the privileged Mediterranean climate. Each property includes a parking space and a storage room. The flats are scheduled for delivery at the beginning of the second quarter of 2025. The images are renderings.
