New development for sale in Nou Llevant, Mallorca

Llevant, Mallorca

From 550.000 €

Description

Exclusive new development of luxury flats for sale, with 65 modern flats distributed in 3 independent four-storey buildings and underground parking. Located in the charming neighbourhood of Nou Llevant, in Palma de Mallorca, only 10 minutes by car from the airport and a few steps away from the exclusive harbour of Portixol. The flats, ranging from 1 to 4 bedrooms, stand out for their spacious and bright rooms, finished with high quality materials. Each home features an open-plan kitchen that connects harmoniously with the rest of the spaces. Large floor-to-ceiling glass walls in the flats maximise natural light and open onto private terraces. The more compact flats make the most of every square metre, creating functional and light-filled spaces. The penthouses feature spectacular private terraces with panoramic views. The project offers three lines of interior design, providing a unique touch to each home. The communal areas include a gymnasium, communal swimming pool, spa, large lounge, cafeteria, golf simulator, 24-hour security, alarm systems and concierge service.
