

PROJECT

Residential in Benijófar: Your New Home

Benijófar, Alicante

From 349.900 €

Description

Alicante Spain Properties presents an exclusive residential development in the charming Benijófar, consisting of 18 homes that stand out for their comfort and functionality. This development offers a variety of options, from apartments to ground floors and penthouses, all equipped with built-in wardrobes and pre-installation of air conditioning to ensure an optimal environment year-round. With three bedrooms and two bathrooms, these properties are ideal for families or those seeking additional space. The homes in Benijófar harmoniously integrate with their natural surroundings through terraces and solariums designed to enjoy the Mediterranean climate. These outdoor areas are perfect for leisure activities or simply to delight in the views. Additionally, each property includes a private garage, adding convenience and security for residents. The modern architecture is complemented by regional details that create a warm atmosphere. Inside, these homes prioritize comfort and spatial efficiency. With three private bedrooms, they offer tranquility to their occupants while the two bathrooms are fully equipped for daily needs. The pre-installation of air conditioning allows for adjusting the environment according to personal preferences. The built-in wardrobes maximize storage while keeping spaces clear. The residential complex offers extensive landscaped common areas perfect for walking or engaging in outdoor activities. The community pool is ideal for cooling off in the summer while socializing with other residents. The community garage provides a convenient parking solution ensuring the protection of all residents' vehicles.
