

PROJECT

Townhouses in Polop

Polop, Alicante

Description

In the peaceful town of Polop, these exclusive townhouses are presented by Alicante Spain Properties as a unique opportunity for those seeking a home in a serene environment. With six properties available, each one is meticulously designed to offer functionality and comfort. The townhouse configuration provides the perfect balance between privacy and community, ideal for those who wish to enjoy tranquility without giving up proximity to essential services. These stunning homes in Polop are designed to maximize enjoyment of the Mediterranean climate. Each unit features a private terrace, perfect for moments of outdoor relaxation or dining under the stars. Additionally, residents have access to a private solarium where they can sunbathe and admire the panoramic views of the natural surroundings. The private pool is another luxury offered by each property, allowing for refreshing dips during the warm summer days without the need to leave home. The interior of these townhouses stands out for its design focused on comfort and elegance. With three spacious bedrooms, they are ideal for families as well as for those who value additional space. The two bathrooms ensure comfort for all inhabitants. The built-in wardrobes optimize storage while keeping everything organized. To ensure warmth in winter, they feature underfloor heating, moreover, the pre-installation of air conditioning makes it easy to adjust the temperature according to personal preferences.
