

PROJECT

Villa in Cumbre de Sol with Sea Views

Cumbre de Sol, Alicante

From 1.865.000 €

Description

Located in the prestigious area of Cumbre del Sol, this villa offers a unique residential experience with spectacular sea views. Just 0.8 km from the coastline, it allows you to enjoy the marine environment in all its splendor. With the airport 40 km away, international connections are easily accessible. This property is perfect for those looking to buy a new home in a serene yet well-connected setting. The exterior is designed to make the most of the Mediterranean climate. It features a private pool ideal for relaxing under the sun, while the terrace and solarium provide additional spaces perfect for gatherings or simply enjoying the panoramic sea views. The private garden adds a natural touch that completes this outdoor space. The interior of this villa has been meticulously designed to provide comfort and functionality. It offers three bedrooms and four bathrooms, ensuring space and privacy for each family member. The villa is delivered fully furnished and equipped with appliances, facilitating a stress-free move. Details such as electric shutters and a video intercom add modernity and security to the home. Additionally, the built-in wardrobes along with the pre-installation of air conditioning ensure order and comfort. The urbanization offers common areas that include a paddle court, landscaped areas, a children's playground, and community parking. These spaces are designed to promote an active and social lifestyle, providing recreational options for all ages.
