About the property: JP1251

New hotel project located in Niseko Hirafu, Hokkaido (Japan), one of the country's most prestigious tourist destinations, internationally renowned for its high-quality snow, natural surroundings and year-round appeal. The development will feature 482 units measuring 21 m², based on a single room type to ensure operational efficiency, consistency and scalability. Each unit is purchased as a titled property in the buyer's name. The hotel will offer a complete operation managed by the developer, including 24/7 reception, restaurant, indoor swimming pool, thermal spa, gym, ski storage, permanent security and comprehensive guest services. The model allows the owner to participate in the income generated by all the hotel rooms, without depending on the performance of a specific unit. In addition, the investor has personal use rights. The hotel combines strategic location, standardisation, comprehensive management and international corporate backing, positioning itself as a solid and efficient proposition within the hotel real estate sector.
