In the heart of Orihuela, Alicante Spain Properties presents an exclusive residential development offering 13 unique properties. From apartments to ground floor options, this development is designed for those who value comfort and modernity in their home. Just 26.578 km from the airport, these homes provide an unbeatable connection for frequent travelers, facilitating access to both national and international destinations. Enjoy the Mediterranean climate with the outdoor spaces of these properties. Each home features its own private garden, perfect for relaxing outdoors. The spacious terraces are ideal for admiring the views or simply enjoying the natural surroundings. Some units include a solarium, offering additional space for sunbathing or dining under the stars. The interior of each home is designed with functionality and superior comfort in mind. With options for two or three bedrooms and bathrooms, these apartments cater to diverse families. Fully furnished and equipped with modern appliances, they feature wooden floors that add warmth to the ambiance. Electric blinds provide daily convenience, and built-in wardrobes maximize available storage. Additionally, the pre-installation of air conditioning ensures a pleasant climate year-round. The common areas are designed to enhance the quality of life for residents. The community gardens create a green oasis ideal for peaceful strolls. The equipped gym provides everything needed to stay active without leaving the residential area. The community pool is the perfect place to cool off in the summer, offering a recreational space where the whole family can enjoy.
