□□

In the picturesque town of Bigastro, Alicante Spain Properties presents an exclusive residential complex that redefines the concept of modern living. With only three apartments available, each has been designed to offer a perfect balance between functionality and comfort in a tranquil setting while having access to urban advantages. These cozy homes are ideal for those seeking a permanent residence or a smart investment in a place that combines serenity and convenience. The private terraces of these apartments are the perfect space to make the most of the Mediterranean climate. Ideal for relaxing in the sun or enjoying outdoor dinners, these outdoor areas provide a respite from daily life. Additionally, residents have access to a communal solarium, where they can delight in panoramic views and unique moments of peace. The interior of the apartments has been meticulously designed with elegance and durability in mind. The porcelain stoneware floors add sophistication while modern appliances cover all daily needs. With electric blinds and a video intercom, security and comfort are guaranteed. The built-in wardrobes maximize storage space, and the pre-installation of air conditioning ensures pleasant environments throughout the year. Each unit features two bedrooms and one bathroom, thus optimizing every available square meter. The communal solarium is a gem within the residential complex, offering residents the opportunity to enjoy the Mediterranean sun alongside stunning views in a shared environment.
