In Torrevieja, there is an exclusive residential complex presented by Alicante Spain Properties, offering a variety of apartments, ground floors, and penthouses. With a total of 10 homes, each property has been designed to provide spectacular sea views from just 150 meters from the coast. The location is ideal for those who wish to enjoy the coastal atmosphere, while the airport is conveniently located 7.4 kilometers away, facilitating international travel. This enclave not only allows you to enjoy the natural surroundings but also provides easy access to services and recreational activities. Designed to harmonize with the Mediterranean landscape of Torrevieja, these homes feature terraces perfect for admiring the sea views. The ground floors offer direct access to the outdoors, ideal for those seeking a connection with nature. The penthouses stand out with their private solarium, providing extra space to relax or entertain guests. Just 150 meters from the water, these properties invite you to enjoy seaside walks and water sports at any time. Additionally, the community has a shared solarium that encourages socialization in a safe environment. The interior design focuses on providing superior quality and comfort. With options of 2 or 3 bedrooms and up to 2 bathrooms, these apartments are tailored to different family styles. Porcelain stoneware floors add elegance and durability, electric blinds and video intercom increase comfort and security. Built-in wardrobes optimize storage, and underfloor heating keeps the spaces warm during winter. Every element has been carefully selected to create a functional and cozy home. The common areas have been created with the relaxation and entertainment of residents in mind. A community pool invites you to cool off under the Mediterranean...
