In the prestigious area of La Manga del Mar Menor, this exclusive residential complex offered by Alicante Spain Properties is located for those looking to live just a step away from the sea. Comprising 25 townhouses, each is strategically designed to maximize comfort and functionality, allowing for panoramic sea views from the front line of the beach. Just one meter from the water, the relaxing sounds of the sea will be part of your daily life. This exceptional location not only guarantees spectacular landscapes but also direct access to the local golden beaches. The outdoor spaces of these townhouses are designed for the total enjoyment of the Mediterranean environment. Each property features its own private garden, perfect for creating a personal outdoor corner. The generous terraces offer the opportunity to indulge in sea views and take advantage of the warm climate year-round. Additionally, the private solariums are ideal for sunbathing or dining under the starry sky. For greater community, there is a communal solarium where residents can socialize while enjoying the surroundings. The interior of these homes has been conceived with comfort and contemporary style in mind. They offer options between 2 or 3 bedrooms, all equipped with built-in wardrobes that maximize the available space. The two bathrooms are carefully designed to combine functionality with modern comfort. The tiled flooring not only provides a current aesthetic but is also easy to clean and maintain, an ideal feature for those living near the sea. Additionally, the pre-installation of air conditioning ensures freshness during the hottest months. Among the common amenities is a communal garage that provides security and convenience for parking personal vehicles. The shared solarium is another attractive s...
