In the picturesque Torrevieja, Alicante Spain Properties presents an exclusive residential complex offering 80 properties designed to meet various preferences. Located just 4 km from the coast, this complex allows for sea views in some homes. The proximity to the airport, situated 22.905 km away, ensures easy connections for frequent travelers. Here, the tranquil lifestyle of the Alicante coast combines with immediate access to services and transportation. Designed to complement the Mediterranean style, the exteriors offer private gardens and spacious terraces perfect for enjoying the sunny climate of Torrevieja. The pergolas add a sophisticated touch while providing shade and comfort. Enjoy the private solarium where panoramic views become part of your daily life. The homes stand out for their functional and detailed design: two bedrooms and two bathrooms ensure comfort for both families and couples. Built-in wardrobes maximize space, while electric blinds alongside a video intercom enhance security and comfort. Practical and elegant ceramic floors along with pre-installation of air conditioning guarantee well-being throughout the year. Additionally, each unit includes a private garage for added convenience. This residential complex offers exceptional communal facilities: a community pool ideal for cooling off in the summer, a paddle court and community gym that invite you to stay active without leaving the premises, a safe playground for children, as well as a community garage ensuring comfortable parking for all residents.
