Just 0.75 km from the golf course and 17 km from the airport, these homes are designed to offer absolute comfort and functionality, with high-quality modern finishes. Make the most of the Mediterranean climate in the exteriors of these chalets. Each one features a private garden that invites relaxation, along with a private pool perfect for cooling off or hosting outdoor gatherings. The terraces extend the living space outdoors, while the solarium is ideal for sunbathing in complete privacy. Additionally, they come with their own garage for added convenience and security. The interior is thoughtfully designed to provide a cozy and contemporary environment. With porcelain stoneware floors that add elegance and ease of maintenance, the layout includes three bedrooms and two bathrooms, ideal for both families and couples. Equipped with electric blinds and air conditioning, it ensures comfort throughout the year. The built-in wardrobes offer efficient storage solutions, complemented by a video intercom that adds extra security.
