Alicante Spain Properties presents a residential complex in the picturesque Redován, known for its modern and functional design. This development offers 9 well-planned apartments and penthouses to provide comfort and efficiency. Located just 47 kilometers from the airport, it is ideal for both permanent residence and weekend getaways. Enjoy the serenity of a tranquil environment without losing proximity to essential services. Enjoy the Mediterranean climate from the private terraces offered by these apartments and penthouses in Redován. The views of the surroundings are perfect for relaxation, while the solariums in the penthouses provide additional spaces ideal for leisure. Additionally, there is an option for a private garage, ensuring comfort and security in vehicle access. The interiors are designed with contemporary comfort in mind, featuring three bedrooms and two bathrooms that make these homes ideal for families or those needing extra space. Electric blinds along with pre-installation for air conditioning ensure an optimal temperature year-round. Furthermore, built-in wardrobes optimize storage while integrated home automation allows for efficient management of all household functions. The complex includes a communal garage designed to offer secure and practical parking solutions. This shared space facilitates mobility within the residential area, ensuring total comfort for all its residents.
