Alicante Spain Properties presents you with a unique opportunity in Fuengirola: three exclusive townhouses that redefine luxury on the Costa del Sol. With sea views from every corner of the house, these properties allow you to live just 250 meters from the beach, ideal for water and sun lovers. The proximity to the airport, only 25 kilometers away, ensures quick connections for those who travel frequently or expect visitors. The exterior design of these townhouses offers a perfect retreat to enjoy the outdoors. Each home features its own private garden, where you can make the most of the Mediterranean climate. The spacious terraces are ideal for outdoor dining with sea views or moments of relaxation. Additionally, they have a private solarium for sunbathing and a personal pool that turns every day into a refreshing experience. Inside these modern townhouses, you will find a functional design with premium finishes such as porcelain floors that combine style and easy maintenance. The integrated home automation system allows for efficient management of household functions. Climate control is optimal thanks to air conditioning and underfloor heating. The kitchens come equipped with innovative appliances, while electric blinds and the video intercom provide additional security. The built-in wardrobes offer generous space, and the private garage is ready to charge electric vehicles. This exclusive residential complex includes landscaped common areas designed to offer tranquility and a green environment ideal for both walking and for children to play.
