□□

In the picturesque setting of Casares, Alicante Spain Properties presents these exclusive villas that redefine luxury and privacy. With only five units available, each residence promises exceptional comfort just 3 km from the sea. Equipped with advanced technology, such as home automation systems and state-of-the-art appliances, these villas ensure a modern and efficient lifestyle. Air conditioning along with underfloor heating guarantees an optimal climate in any season. The exteriors of the villas in Casares are a true visual spectacle. Each one has its own private garden to enjoy the Mediterranean sun and spacious terraces ideal for relaxing or entertaining guests. The private pool adds an unparalleled element of luxury. The contemporary architecture is enhanced with premium materials, such as porcelain stoneware, which stand out for their durability and aesthetics. The interior design of these villas is intended to make the most of natural light and available space. Configurations vary between 4, 5, or even 6 bedrooms with options for up to 8 bathrooms, perfectly adapting to different family lifestyles. Built-in wardrobes provide practical storage solutions while the private garage ensures security and convenience. Additionally, the integration of home automation facilitates efficient home management, significantly improving quality of life.
