□□

Alicante Spain Properties presents an exclusive residential complex in Gran Alacant with 57 homes that blend style and comfort. With options for townhouses and semi-detached houses, this development meets various family needs. The location is perfect for those who desire proximity to the sea, just 3 km away, and to the airport, 9 km away. Designed to maximize natural light, these homes offer a balance between tranquility and accessibility. The exterior of these properties becomes a peaceful retreat with private gardens that invite you to enjoy the Mediterranean climate. The terraces provide additional space to relax or socialize outdoors. Some homes even feature a private pool, adding a touch of luxury ideal for hot days. With the sea just 3 km away, the beaches are easily accessible. The interior is designed to offer absolute comfort: ceramic and porcelain tile floors provide modernity and ease of maintenance. Air conditioning ensures an optimal temperature year-round. Equipped with electric shutters and a video intercom, these homes stand out for their security and comfort. The kitchen comes fully equipped with modern appliances, additionally, built-in wardrobes maximize storage in the bedrooms. Some units include chargers for electric cars, highlighting the sustainable commitment. The common areas are designed for family enjoyment: community gardens where you can relax surrounded by greenery, a community pool perfect for swimming under the sun, and a safe children's area that guarantees fun without leaving the premises.
