Independent Homes in Finestrat with Sea Views

Finestrat, Alicante

550.000 €

00

In the picturesque setting of Finestrat, Alicante Spain Properties presents two independent homes that blend modernity and functionality. With a design that prioritizes comfort and privacy, these properties offer spectacular views of the Mediterranean Sea, becoming the perfect retreat for those seeking a home in a serene and attractive environment. Designed to make the most of the Mediterranean climate, the exteriors of these homes in Finestrat feature a private pool ideal for warm days. The spacious terraces allow for enjoyment of the maritime landscape and the surrounding natural environment, providing an unbeatable space for relaxation. The interior of these independent houses is designed with absolute comfort in mind. With three bedrooms and three bathrooms, each home is equipped with air conditioning to maintain an optimal temperature year-round. The porcelain tile floors add elegance, while the modern appliances facilitate daily tasks. The built-in wardrobes provide generous storage space, optimizing every area of the home. Additionally, each property includes a garage for added security and comfort.
