Independent Homes in Pinar de Campoverde

Pinar de Campoverde, Alicante

□ 845.000 €

□□

In the charming municipality of Pilar de la Horadada, Alicante Spain Properties presents an exclusive selection of four independent homes. This enclave offers a tranquil residential environment that is well-connected, ideal for those seeking a modern and cozy home near the Mediterranean coast. The properties are designed to maximize comfort and functionality, ensuring privacy and an exclusive lifestyle. Make the most of the Mediterranean climate with the outdoor spaces designed for relaxation in these homes in Pilar de la Horadada. Each property features its own private garden, perfect for family moments or simply unwinding. The terraces provide additional outdoor space, ideal for dining under the stars or enjoying the scenery. Additionally, each home includes a private pool, creating a personal oasis to cool off during the hot summer days. These independent homes offer interiors that combine modernity and comfort. With three bedrooms and three bathrooms, they are equipped to meet the demands of a modern family. The ceramic floors not only add elegance but also ease of maintenance. The inclusion of appliances makes daily life easier from the very first moment. The built-in wardrobes ensure enough space to keep everything tidy and organized. The pre-installation of air conditioning guarantees a pleasant indoor environment at all times, while the video intercom provides extra security through simple control of access to the home.
