In the peaceful area of Purias, Alicante Spain Properties presents an exclusive selection of 13 independent homes. These properties are designed for those who value space and privacy, with flexible configurations of 3 or 4 bedrooms and up to 3 bathrooms. The pre-installation of air conditioning ensures comfort throughout the year, while the built-in wardrobes optimize every square meter. With an included video intercom system, these homes guarantee security and comfort in every detail. Enjoy the Mediterranean climate in the spacious outdoor areas that these homes offer. With private gardens and spacious terraces, as well as a solarium perfect for creating your own outdoor oasis, you can make the most of the natural surroundings from the comfort of your home. The interior of these residences stands out for its porcelain stoneware flooring, which adds elegance and durability to each room. Designed with daily functionality in mind, they feature options of 3 or 4 bedrooms and up to 3 bathrooms to accommodate any family. Details such as the pre-installation of air conditioning and built-in wardrobes make living here comfortable and practical. The residential complex offers attractive common areas with green gardens and a children's playground, creating a safe and ideal environment for family enjoyment.
