

Independent Properties in Llíber

Llíber, Alicante

 **1.028.000 €**

In the picturesque municipality of Llíber, Alicante Spain Properties presents an exclusive offer of five independent homes. Designed for those seeking a unique and modern home in a peaceful environment, these properties guarantee privacy and comfort. The independent typology ensures that each resident enjoys their own personal space surrounded by nature and equipped with the latest amenities. Enjoy the Mediterranean climate in the exteriors of these houses in Llíber. Each property offers a private garden, ideal for creating your own corner of tranquility. Additionally, you can cool off in your private pool during hot days. The spacious terraces are perfect for outdoor gatherings or family dinners, while the pergola provides cozy shade all day long. The interior of these modern independent homes in Llíber is designed with family comfort in mind. With three bedrooms and three bathrooms, they offer a cozy space with elegant ceramic floors and underfloor heating to ensure comfort throughout the year. Equipped with modern appliances and a home automation system, they also feature built-in wardrobes and facilities for charging electric vehicles. The common areas of the residential complex in Llíber are designed to enhance the quality of life for its inhabitants. Gardened areas create a relaxing environment ideal for walking or enjoying the natural surroundings. A communal parking area provides a convenient and secure solution for parking vehicles.
