Luxury Exclusive Villa in Marbella

Marbella, Málaga

19.500.000 €

00

In the coveted Marbella, this luxury villa redefines the concept of an elegant home. Just 3 km from the sea, its privileged location allows you to enjoy the mild Mediterranean climate and the refreshing sea breeze. With a modern and functional design, this residence is perfect for those seeking an exclusive lifestyle. Offering seven bedrooms and seven bathrooms, it is ideal for large families or for hosting your guests comfortably. Every corner is meticulously designed to provide a unique residential experience on the Costa del Sol. Alicante Spain Properties invites you to discover this oasis of sophistication. The outdoor environment of this magnificent villa has been created to fully enjoy the Mediterranean climate. It features a private pool, perfect for those hot days, alongside a pergola that offers a shaded space ideal for outdoor meals or moments of relaxation. Located just 3 km from the sea, it offers partial ocean views and easy access to water activities. The carefully designed garden complements the modern architecture, creating a serene and welcoming atmosphere. Inside the villa, you will find advanced technology and exceptional amenities that ensure maximum daily comfort. With an integrated home automation system, you can easily control the essential aspects of the home. Underfloor heating along with air conditioning maintains an optimal temperature year-round. Built-in wardrobes provide ample storage, and premium finishes like floating floors add elegance to the interior space. Enjoy your own private spa with a jacuzzi inside the house, as well as a garage and a spacious terrace that offers stunning views.
