Calpe, Alicante

1.550.000 €

00

In the picturesque Calpe, Alicante Spain Properties presents two unique villas that combine luxury and comfort. Located just 1 km from the sea, these properties offer spectacular views and an exclusive atmosphere. Designed with state-of-the-art technology and high-quality finishes, these homes are the perfect retreat for those seeking tranquility without sacrificing modern amenities. The exterior of these villas in Calpe is designed to fully enjoy the natural surroundings. A private garden accompanies each property, ideal for moments of relaxation or outdoor activities. The private pool is a distinctive feature that adds luxury, allowing you to cool off during sunny days or enjoy a starry night from the water. The spacious terraces invite outdoor dining with stunning sea views, while the solarium offers an intimate corner to sunbathe surrounded by natural beauty. These magnificent villas in Calpe are designed with interiors that prioritize absolute comfort. With four bedrooms and five bathrooms, each space is distributed with maximum functionality in mind. Fully equipped with modern furniture and advanced appliances, these homes ensure all daily needs are met. Home automation facilitates control of the house, while air conditioning and underfloor heating maintain an ideal temperature year-round. Built-in wardrobes provide ample storage, and electric blinds add extra security and convenience.
