□ 1.378.000 €

□□

In the coveted area of Cumbre del Sol, these two exclusive villas are presented by Alicante Spain Properties. With a privileged location just 1 km from the sea, these properties offer a luxurious environment with spectacular views of the Mediterranean. Designed for those who value privacy and comfort, each villa is a testament to elegance and functionality in one of the most desired enclaves. The exterior design of these villas has been carefully planned to make the most of the natural landscape. Each property features a private garden that invites you to create your own personal retreat. The spacious terraces are ideal for admiring the sea views and enjoying the Mediterranean climate all year round. A solarium provides additional space to relax or entertain outdoors, while the private pool offers an ideal place to cool off under the sun with complete privacy. With four bedrooms and five bathrooms, the interior of the villas is a sanctuary of luxury and comfort. The porcelain stoneware floors combine elegance and durability, while the advanced home automation ensures comfort throughout the year with air conditioning and underfloor heating. Electric blinds and the video intercom enhance security, complementing a fully equipped kitchen with modern appliances and built-in cabinets that optimize storage. The common areas are designed with the whole family in mind. A paddle court is included for sports enthusiasts, landscaped areas perfect for strolling or relaxing, as well as a playground where children can have fun without worries. Additionally, the communal parking ensures convenience and peace of mind for both residents and visitors.
