In the picturesque town of Finestrat, these exclusive villas are offered to you by Alicante Spain Properties. With only two units available, each villa provides a luxurious setting with sea views and enviable proximity just 4 km from the coast. These properties are ideal for those looking to combine elegance and comfort in a unique natural environment. The exterior design of the villas in Finestrat is conceived to make the most of the Mediterranean climate. Each property features a private garden, perfect for moments of relaxation or outdoor activities. The terrace is ideal for enjoying the marine landscape while entertaining friends or family. Additionally, they have a pergola that adds shade and style to the outdoor space. The private pool offers a refreshing oasis on hot days, complemented by a solarium where you can sunbathe in complete privacy. The interior of the villas has been meticulously designed to offer exceptional comfort and practicality. With five bedrooms and four bathrooms, these homes are perfect for families or hosting guests. They include a garage that provides ample space for parking and storing belongings. Modern finishes such as porcelain stoneware floors ensure durability and contemporary style. Equipped with advanced technology, they offer home automation for efficient control, air conditioning year-round, and underfloor heating in winter. Built-in wardrobes ensure generous storage while keeping the design tidy.
