

Llevant, Mallorca

The image is a wide architectural rendering of the DDPK residential complex. It features two main building wings on either side, connected by a central courtyard. The buildings are modern, with light-colored facades and dark grey accents around the windows and balconies. Many balconies have glass railings and some have small plants. The central courtyard is landscaped with several tall palm trees, smaller shrubs, and a paved walkway that leads through the center. In the background, more of the building complex is visible under a soft, hazy sky. The overall atmosphere is clean, modern, and inviting.
