Residential in Estepona: Apartments and Ground Floors

Estepona, Málaga

□ **325.000 €**

□□

Estepona hosts an exclusive residential complex by Alicante Spain Properties, consisting of 20 homes that include modern apartments and ground floor options. Just 2 kilometers from the sea, this location is ideal for those seeking tranquility without giving up the proximity to essential services. Additionally, the nearest airport is 50 kilometers away, making frequent travel easier. This enclave offers a perfect combination of comfort and serenity. Make the most of the Mediterranean climate with the outdoor spaces of this development in Estepona. The properties feature terraces and private gardens perfect for relaxing or socializing. The proximity to the sea, just 2 kilometers away, invites you to enjoy the sea breeze and coastal activities. With charging points for electric cars, a modern and sustainable lifestyle is promoted. Inside these homes, you will find modern appliances and built-in wardrobes that combine functionality with elegant design. Available in configurations of 1, 2, or 3 bedrooms and up to 2 bathrooms, these apartments cater to both families and individuals. The interior design pays attention to every detail to create cozy and practical spaces. The ground floor units offer direct access to gardens, extending the living space outdoors. The common areas of the residential complex include well-maintained gardens, a community pool, and a fully equipped gym. Designed to promote an active lifestyle without leaving home, these facilities allow for healthy leisure all year round. The pool is ideal for cooling off during the summer while the gardens provide a tranquil environment for walking.
