□□

In the picturesque town of Torrevieja, an exclusive residential complex is presented by Alicante Spain Properties. Comprising 16 properties, including apartments, ground floors, and penthouses, this development is designed for those who wish to live near the sea. Just 250 meters from the coast, residents can enjoy panoramic views and the refreshing sea breeze. Its strategic location, 44 kilometers from the airport, facilitates both international visits and regular commutes, making it an attractive option for year-round living as well as occasional getaways. The diversity in housing types ensures that every buyer finds their ideal home. Designed to make the most of the Mediterranean climate, the exteriors feature private terraces ideal for relaxing or dining outdoors. Some homes include private solariums, perfect for sunbathing or creating an elevated green space. Located just 250 meters from the sea, they allow for coastal walks and water activities whenever desired. The contemporary design along with superior finishes ensures that each property integrates perfectly with its natural surroundings. Comfort and functionality define the interiors of these homes. Available in configurations of 1, 2, and 3 bedrooms with options for up to 2 bathrooms, they are designed to adapt to various family needs. Elegant ceramic floors not only provide modernity but also ease of maintenance. Built-in wardrobes maximize available space while the pre-installation of air conditioning ensures comfort year-round. The kitchens come equipped from day one with essential appliances, and some units offer the additional luxury of a private jacuzzi. The common areas have been designed with the aim of providing well-being and entertainment without leaving the residential complex. A community jacuzzi is...
