Alicante Spain Properties presents an attractive residential complex in the picturesque Vera. This development features 23 units, offering a variety of housing options such as apartments, ground floors, bungalows with solarium or garden, and penthouses. Each home is designed to optimize comfort and functionality, adapting to various needs and lifestyles. The advantage of being located just 10 kilometers from the airport makes it ideal for those who travel frequently or expect international visitors. This residential project in Vera stands out for its outdoor spaces designed to enjoy the Mediterranean climate to the fullest. The homes feature terraces and private gardens perfect for hosting outdoor events. Some types include a solarium that offers additional space to relax while enjoying the scenery. Electric shutters provide convenience, and the video intercom system ensures additional security for residents. The homes have been meticulously designed with high-quality materials. The ceramic floors ensure durability with an elegant touch, while the air conditioning along with the pre-installation guarantees comfort throughout the year. The modern kitchens are fully equipped, facilitating daily tasks, and the built-in wardrobes offer ample storage space, keeping the home organized. With options available for 2 or 3 bedrooms and 2 bathrooms, each home is conceived to be cozy and practical. The common areas are designed to promote an active and social life within the complex. Enjoy spacious gardens ideal for walking or relaxing outdoors under the Mediterranean sun. The communal pool is perfect for cooling off during the hot summer months and socializing with other residents. Additionally, a well-equipped gym allows inhabitants to maintain their exercise routine without the need...
