Alicante Spain Properties presents this magnificent collection of 6 townhouses in Cox, designed for those who value tranquility without losing quick access to important connections. Just 40 km from the airport, these homes guarantee excellent mobility both nationally and internationally. This serene environment is perfect for those who wish to combine comfort and functionality with a relaxed lifestyle. Make the most of the Mediterranean climate with the outdoor spaces of these townhouses in Cox. Each unit includes a private garden, ideal for personal leisure moments, as well as spacious terraces that invite relaxation and contemplation. Additionally, the solarium becomes a versatile space to enjoy the outdoors or share with friends and family. The interior of these homes is designed with modernity and family comfort in mind. With three bedrooms and two bathrooms, each house offers porcelain stoneware floors that add sophistication and are easy to maintain. Electric blinds along with the included appliances facilitate daily tasks, while the built-in wardrobes optimize the available space. The pre-installation of air conditioning ensures a perfect temperature throughout the year. The common areas of the residential complex encourage interaction and well-being among neighbors. The community gardens provide a green oasis to disconnect, while the communal pool offers a refreshing place to socialize during the hot months. These areas are designed to perfectly complement the private spaces, providing all residents with a balanced experience between privacy and community.
