Alicante Spain Properties presents you with an exclusive set of townhouses in El Alamillo, where comfort meets sea views. Located just 350 meters from the coast, these four properties offer an ideal environment for those who value proximity to the sea and tranquility without sacrificing accessibility. Only 31 kilometers from the airport, this location is perfect for frequent travelers seeking an easily accessible residence. The exteriors of these homes are perfect for enjoying the Mediterranean climate. Each townhouse has its own private terrace, providing a perfect space to take in the sea views. Additionally, a solarium allows you to make the most of sunny days. The landscaped areas create a pleasant and green environment, while the communal pool offers the perfect place to cool off and socialize with neighbors. Designed with comfort and functionality in mind, these townhouses feature three bedrooms and two bathrooms. The porcelain stoneware floors add modernity and are easy to maintain. The pre-installation of air conditioning ensures a pleasant temperature in any season. With built-in wardrobes that optimize storage and a video intercom that adds security, every detail has been meticulously attended to. The private garage is another plus, providing additional security for both vehicles and other belongings. The common areas are designed to encourage interaction among residents. A communal pool provides a refreshing space during the hottest months, while the landscaped areas offer tranquility and natural beauty. These facilities make living together more enjoyable in this unique residential complex in El Alamillo.
