Discover more about this unique opportunity with Alicante Spain Properties. The outdoor spaces of these townhouses have been conceived to optimize the enjoyment of the Mediterranean climate. Each property includes a private garden where outdoor leisure can be enjoyed. The spacious terraces invite dining al fresco or simply relaxing under the sun's rays. For those seeking an additional corner, the solarium offers an exclusive space to sunbathe or contemplate the views. The private pool in each home adds a distinctive touch of luxury, allowing for refreshing without the need to leave home. The interior design of these townhouses combines comfort with advanced technology. The porcelain stoneware floors not only provide elegance but are also easy to maintain. Thanks to the integrated home automation, controlling various aspects of the home is efficient and straightforward, while the electric blinds provide additional security and daily convenience. The pre-installation for air conditioning ensures a pleasant environment throughout the year. The built-in wardrobes offer generous storage, and the included appliances facilitate daily life.
