Townhouses in San Roque with Sea Views

San Roque, Cádiz

□ **410.000 €**

□□

Alicante Spain Properties presents a spectacular set of 23 townhouses in San Roque, where elegance and comfort merge. These homes offer unparalleled sea views and are strategically located just 2 km from the coast and 33 km from the airport, providing a perfect connection to the main points of interest in the region. Ideal for those seeking a permanent residence or a retreat for occasional getaways, this development guarantees an exceptional living experience. Designed for the enjoyment of the Mediterranean climate, the townhouses include private gardens that allow for the creation of personal relaxation spaces. The spacious terraces are perfect for contemplating the stunning sea views, offering an ideal place for outdoor dining. The community is complemented by well-maintained common gardens, which provide freshness and a vibrant natural environment. The interior of these homes is meticulously designed to maximize comfort. With three bedrooms and two bathrooms, every detail has been considered to optimize the well-being of its inhabitants. The porcelain stoneware floors add a modern touch, while the underfloor heating system ensures a cozy atmosphere all year round. Equipped with air conditioning, home automation, and high-end appliances, these houses combine functionality with style. The residential complex offers attractive common areas that enhance the quality of life. It features a community pool, perfect for enjoying on hot days, as well as a fully equipped gym for those who wish to stay fit. The community gardens are ideal for relaxing and socializing, creating a friendly and welcoming atmosphere.
