In the picturesque town of Finestrat, there is an exclusive residential complex that Alicante Spain Properties proudly presents. Just 3 km from the sea, this development offers 26 homes that combine independent and semi-detached villas, designed with contemporary families in mind. The location is ideal for those seeking the serenity of a natural environment without being far from urban services and leisure options. Each home is designed to provide maximum comfort and functionality, with modern, high-quality finishes. Make the most of the Mediterranean climate in Finestrat with these carefully designed outdoor spaces. Each property includes a private garden perfect for relaxation or family gatherings. The spacious terraces are ideal for outdoor dining or simply admiring the sea views. Additionally, each home features a private pool that becomes a personal oasis during the hot summer days. An elegant pergola adds style and utility, making it possible to enjoy the outdoor space at any time. The interior of these homes is a perfect fusion of modern design and practicality. They offer flexible configurations of 3 to 6 bedrooms according to family needs. With 3 or even 4 bathrooms equipped with underfloor heating, comfort is guaranteed all year round. The kitchen stands out for its complete furnishings and high-end appliances that integrate harmoniously into the living area. Equipped with air conditioning, advanced home automation, and electric blinds, these homes ensure a safe and comfortable environment. Built-in wardrobes optimize storage while ceramic floors add elegance. This residential complex also offers additional amenities such as communal parking, ensuring always available space for both residents and their visitors.
